

# ATTENTION!

*A section of the Tuckerman Ravine Trail is now closed to all use.*

This section extends from Lunch Rocks to the top of the Headwall where it meets the Alpine Garden Trail and includes skiing or riding through the Lip area.

Only this section of the trail is closed. This annual closure is due to the magnitude of the crevasses and undermining, and the severe consequences of a fall in this area. (36 CFR 261.55(a))
